Meet the Prospective Contractors/Subcontractors (Optional)

Friday, February 25, 2022

11:00 AM – 12:30 PM

The California Department of Public Health’s Gender Health Equity Unit (GHEU) will host an optional “Meet the Prospective Contractors/Subcontractors” event on **February 25, 2022 11:00 AM – 12:30 PM**. Registration is required and can be done at lbtqhealth.org/registration. GHEU will provide a virtual space on the Zoom platform for prospective contractors and subcontractors to meet. Prospective contractors will be assigned to a breakout room and prospective subcontractors will be able to alternate between rooms. Those who want to participate are encouraged to complete the optional survey.

NOTE: Prospective contractors are encouraged to prepare to discuss:

- their organization,
- the types of organizations they are looking for to create a portfolio,
- the process by which they will screen the prospective subcontractors, and
- the schedule that prospective subcontractors should adhere to.

This information may allow prospective subcontractors to make proper introductions to prospective contractors.
